

guinea pig pattern

How to make t:

Cut the body 2 times
Cut the ears 2 times
Cut the belly 2 times
Cut the part between the head 1 time.

- Sew the curved edge of the two bellies together, from A to C.
- Attach the between the head part at A (the seam is on the inside).
- Sew one body from A to C to the belly along the feet. Repeat for the other side.
- (The seams are all now on the outside.)
- Attach the ears and eyes (beads work well for the eyes).
- Sew along the between the head part from A to B and back to A to stitch the head.
- Stuff the piggy and sew from B to C to finish it up.

Enjoy your guinea pig!
